Subscription Plans and Billing Renewals

Recurring subscriptions renew automatically at the conclusion of each monthly or annual billing cycle.

Customers have a 14-day cooling-off window following an annual renewal to request a full refund.

Cancellations take effect at the conclusion of the currently paid billing period.

Customers maintain uninterrupted access to premium services until the expiration date.

Mid-Term Cancellations and Enterprise Agreements

Monthly consumer subscription plans do not offer pro-rated refunds for mid-month cancellations.

Annual enterprise contracts may request pro-rated cancellation upon providing 30 days written notice.

Early contract termination fees may apply to enterprise customized tiers as specified in individual master s

Downgrading from an annual to a monthly plan takes effect at the next renewal cycle.
